Subject: May 24 - SB 990 Testimony

Hon. Reps Rayfield, Helm and Committee Staff:

I am preparing a statement for testimony at the SB 990 Public Hearing this afternoon at 3 pm.

- If possible, please schedule me as agenda, protocol and allotted time allow. I can shorten my statement as would fit time allowed.
 - I expect my statement to be no longer than seven minutes.
 - I will email the text to you all as soon as completed, prior to the 3 pm session.

I hope this request complies with proper form and function for this afternoon's session.

Please let me know if I need any further information, or if you have concerns, questions or ideas regarding my request and process.

See y'all there!

Thank You and All Best Regards,

Ralph Penunuri
