Subject: HB 2004-A

I have been a landlord in Deschutes County for 30 years, and I urge you to vote NO on HB 2004-A. Passage will negatively impact landlords like me to the point where we will sell our single-family dwellings and invest in commercial real estate, instead -- thus reducing rental housing inventory even further.

Don't make a bad situation worse. Vote NO!

Respectfully,
Deanna Bell
