Dear Oregon Legislators,
I oppose House Bill 2004-A.

Put a personal story here that reflects how and why you would like to retain the ability to use a no-cause notice. (For example: Tenants' fear of retaliation if they complain about a neighbor, leering or disturbing behavior by others, landlords having higher screening standards because of us not being able to end the agreement if things go sideways)

Please represent me and your constituents at the state capitol by opposing HB 2004-A and ANY bill that would eliminate no-cause notices.

Respectfully, your constituent
