**Date:** Monday, May 22, 2017 12:40:54 PM

---

**PLEASE** listen to the landlords this is our future, this is the only retirement I have, vote **NO** on this bill. I have a daughter out of state she will be moving back in the fall. I want to be able to move her and her family into our rental property so they can raise their family in our community and with our family. If this passes I will have to sale and eliminate this rental forever, so I can have my family here.
