Dear Committee members,

Please renew the Residential Energy Tax Credit!

The credit has been instrumental in growing our company from 3 to 19 employees. With RETC renewed and predictability restored, True South Solar will continue to grow and create solid excellent jobs of the “next economy” for Oregonians. Without solid continued support we cannot maintain our growth and push our industry over the finish line to the mass adoption phase.

Please don't let Oregon's solar industry stumble!

Thank you for your service and your support,

Shawn Schreiner
