**To:** Natural Resources Subcommittee  
**From:** Matt Stayner, Legislative Fiscal Office  
**Date:** May 31, 2017  
**Subject:** HB 2295 – Relating to Water Resources Department fees

HB 2295 increases fees or fee schedules for the Water Resources Department for water rights transactions, dams, and power. The bill also reverses the fee revisions contained in sections 2, 4, 7, 9, and 12 of HB 2259 (2013) that would have reverted these fees to their 2009 rates.

These increases are projected to increase Other Funds revenues for the agency by \$471,558 over the 2017-19 biennium; roughly a 16.3 percent increase over current revenues from those fees.

**Final Subcommittee Action**

**MOTION:** I move HB 2295 to the Full Committee with a do pass recommendation.
