RE: Support for HB 2745B

Chair Hass, Vice-Chair Boquist, and Members of the Committee:

On behalf of the Redmond Chamber of Commerce and CVB's Board of Directors, I am writing today to urge you to support the bill currently before the legislature, HB 2745B, which will give voters in Central Oregon a choice on whether their areas should fund a public transit system.

COIC has proven to be an effective and prudent custodian of public project and has shown sound fiduciary responsibility on projects they operate. HB 2745B will give the communities of Central Oregon local control -- each city can choose the appropriate level of service, funding amount, and tool for funding transit in their community. Some communities may choose to ask voters to support funding initiatives, and other communities may not be ready to do so at any time soon. What is important, is giving the communities of Central Oregon the option to seek transit funding from voters when they are ready.

Again, the Redmond Chamber of Commerce and CVB, encourages the Senate Finance and Revenue Committee to support to support the passage HB 2745B in this session. Thank you for giving local control of future transit initiatives into the hands of Central Oregon voters.

Sincerely,

Eric Sande
