Subject: Support SB 860!

To Whom I May Concern:

I strongly **support SB 860** because It will require state enforcement of the existing Oregon Mental Health Parity Law to **ensure Oregon consumers have full access to needed mental health services**. I am Licensed Professional Counselor in the state of Oregon. Amid growing concerns about changes in mental health coverage, it is imperative that we advocate for our client needs. Thank you for doing the hard work of building legislation that supports the daily lives of ordinary Oregonians!

Please pass SB 860!

Thank you for your time,

Susan M. Doak, LPC
