

I am opposed<sup>d</sup> to  
HB 3464 as written.

Immigrants who come here  
legally will have no problem  
with their information being  
disclosed.

Immigrants who have broken  
the law by coming to America  
illegally should ALWAYS  
have their information  
disclosed. They have NO RIGHTS  
under the law.

To do otherwise puts all of  
us in danger.
