RE: HB 3279A

Chair Johnson, Chair Gomberg, members of the committee,

Relay Resources is a qualified rehabilitation facility whose mission is to create opportunities for people to overcome barriers, achieve independence, and realize a stronger sense of purpose through training, employment and housing. Our experienced janitorial management team, with an average tenure of more than 18 years, oversees one of the largest janitorial cleaning services in Oregon. We clean millions of square feet daily at manufacturing centers, airports, universities, health clinics, government facilities and office buildings.

We support the intention of advocates in bringing forward HB 3279 to ensure a measure of accountability and transparency for janitorial companies and janitorial professionals in Oregon.

Thank you for your time and consideration.
