Washington County, Oregon
WOOD STOVE EXCHANGE
Let's clear the air.

Progress Report

August 24, 2016 – May 15, 2017

The Washington County Wood Stove Exchange is a collaboration between the Department of Health and Human Services and the Office of Community Development. The program, which was launched on August 24, 2016, replaces old and uncertified wood stoves with new and cleaner heat sources, including certified wood and pellet stoves, gas stoves and electric heat pumps. More information is available at www.WoodStoveExchange.com.

Total Applications Received: 312

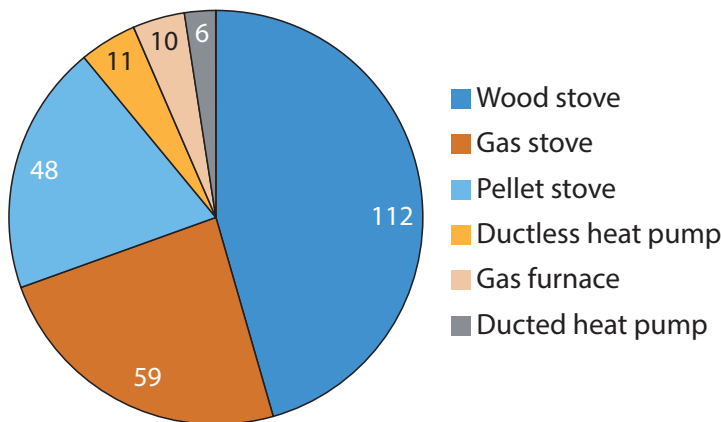

Applicant City of Residence

The Wood Stove Exchange program is open to all Washington County residents.

| Completed initial assessments | 226 |
| Approved projects | 170 |
| Completed projects* | 104 |

*Our goal for year one was to complete 50 projects.

Emissions Prevented

We are closely tabulating both old and new devices, inputting the tested particulate emissions into a calculator created by the EPA. So far we have prevented **7.61 tons** of particulate emissions in Washington County.
