Summary of Revenue Changes

The mortgage loan servicer regulatory program will be funded with Other Funds revenues from license and examination fees, similar to other regulatory programs within the Department of Consumer and Business Services (DCBS). The department expects approximately 150 entities would fall under this regulatory regime. Civil penalties collected for violations will be deposited into the General Fund.

Summary of Transportation and Economic Development Subcommittee Action

The Subcommittee approved \$166,018 Other Funds expenditure limitation and one position (0.88 FTE) to implement Senate Bill 98, which creates a regulatory program within DCBS for third-party residential mortgage loan servicers. The department will hire a Financial Examiner 2 to handle complaint investigations and conduct examinations, while other work will be absorbed by existing staff.
