

As an Oregonian I strongly urge the Oregon legislature to pass HB2927 as is and not pass SB 825. The President should be representative of all people of the United States and it is time we adopt the National Popular Vote Interstate Compact so one person = one vote. My vote should count equally as any other voting individual in any other state.

Our current system is convoluted and antiquated, I hope for a future where our votes, each and every vote, truly DO count.

Please pass HB 2927 out of committee and do not pass SB 825.
