

As an Oregonian I strongly urge the Oregon legislature to pass HB 2927 as is and not pass SB 825. The President should be representative of all people of the United States and it is time we adopt the National Popular Vote Interstate Compact so one person = one vote. My vote should count equally as any other voting individual in any other state.

**The president should be elected by the people - not the electoral college!**  
**Please pass HB 2927 out of committee and do not pass SB 825!**  
**Make America a democracy & and pass HB 2927**

Thanks for all the work you do & thank you for your time,
