

Rules Committee  
Salem, Oregon

To: United States Representatives and United States Senators of Oregon,

Is Congress is going to let the "National Popular Yote Compact" pass even though the U.S. Constitution in paragraph 3 of Article 1, Section 10 says that states cannot enter any compacts or agreements with other states without the consent of Congress... Paragraph 3 says the following:

"No State shall, without the Consent of Congress, lay any duty of Tonnage, keep Troops, or Ships of War in time of Peace, enter into any Agreement or Compact with another State, or with a foreign Power, or engage in War, unless actually invaded, or in such imminent Danger as will not admit of delay."

I hereby request that your lawmakers in Oregon that have been voted in by the people of the State of Oregon vote "NO" on this way to bypass the Constitution of the United States of America, as it is not doing so by ratification via a proposed amendment to the Constitution.

Sincerely,

Fenton Hubbart
