

I am writing to you today to show my absolute support of HB 2927. Given what has happened in this country since November 8th, 2016, it is of utmost importance that we institute a NPV during THIS legislative session! This needs a vote now by the legislature, and NOT sent for a ballot measure! We cannot afford to wait ANY longer!!!!

We cannot repeat the disaster of this past presidential election. The voices of 3 million voters were silenced when Clinton didn't get elected. Instead we have an erratic, vengeful, near dictator who DID NOT WIN THE POPULAR VOTE!

DO .NOT DELAY

You must vote for it to happen now and not delay to 2019 for the next legislative session.

I am strongly opposed to putting this on the ballot with SB 825.

Please do the right thing for Oregonians and the country and vote yes on house bill 2927.

Sincerely,

Sasha Kaplan
