

I support HB2927 and do not support SB825.

I urge the Oregon legislature to pass HB2927 as is and not pass SB 825. The President should represent the majority and it is time we adopt the National Popular Vote Interstate Compact so one person = one vote.

The constitution grants state legislatures the responsibility of determining how our electors vote in the electoral college. I urge you to **not** support SB 825 which abdicates this constitutional responsibility of the legislature in favor of referring the issue to the voters.

Please pass HB 2927 out of committee and do not pass SB 825.

Thank you for your consideration.
