Senate Rules Committee
OR

Dear Committee,

I'm a NE Portland resident that strongly urges the passage of HB 2927, the National Popular Vote bill.

I think it is vital that in our democracy every vote is equal. With the Electoral College, some votes -- those who live in "swing states" -- matter much more than Oregon residents (or residents in "red" or other "blue" states). It is time to reform this outdated system and help democracy improve.

I ask the committee to support this bill -- please pass it outright, without any amendments and send it to the Senate floor for a vote.

Sincerely,

Mr. Jesse Littlewood
