Senate Rules Committee  
OR

Dear Committee,

There is no longer any defensible reason why the popular vote shouldn't elect the president, just like it does every other elected official in this country. It is fair and everyone understands the popular vote. Please replace the arcane electoral college with the popular vote!

Sincerely,

Ms. Cheryl A. Graham  
4070 Gusty Ave NE  
Albany, OR 97322-4538  
(541) 981-2984
