Senate Rules Committee  
OR

Dear Committee,

My name is Kimberly Rodman and my husband and I live in Eugene.  
We support HB 2927. It's very important to pass this legislation particularly after the Electoral College got trump into office.  
Please pass the bill outright and get it to the Senate floor.  
Thank you,  
Kimberly Rodman  
97402

Sincerely,

Ms. Kimberly Rodman
