Senate Rules Committee
OR

Dear Committee,

It is time for the United States to become a democracy and elect the president by popular vote, not through some archaic process designed to ensure "that the office of the President will never fall to the lot of any man who is not in an eminent degree endowed with the requisite qualifications"...Alexander Hamilton. Obviously this out dated method doesn't work today! Please endorse the popular vote for electing our President.

Sincerely,

Mrs. Lucinda Sparks
