Senate Rules Committee  
OR

Dear Committee,

My name is Lyn Cordell. I am a resident of Clatskanie, 97016.

I am writing to urge passage of HB 2927, the National Popular Vote.  
This is a bill whose time has come: one person one vote--no more convoluted procedures that circumvent the will of the people.

Oregon has been a leader in making elections fair and accessible. HP  
2927 is an important next step. I urge you to pass it now, without amendments.

Thank you.

Sincerely,

Ms. Lyn Cordell
