Senate Rules Committee
OR

Dear Committee,

Dear Rules Committee and Oregon Senators, especially to my district Senator Ginny Burdick,

I strongly support passing the bill to make the President elected by the popular vote and for the bill to pass out of Committee intact with no amendments or attempts to jeopardize it's passage. Oregon needs to stand with California, Washington and Hawaii ~ we are the "green wall" to stop the country turning into an autocracy. Our values for community, the environment, free speech, gay and diversity rights should lead the way.

Many across the country are watching what we do! Act now to uphold a democratic vote it may be the only barrier to the gerrymandering that is destroying the country and will of the people!

Thank you for listening! We are waiting for you action!

Best regards,
Sandra Percival

Sincerely,

Ms. Sandra Percival
