Senate Rules Committee
OR

Dear Committee,

Dear Oregon Senate Rules Committee:

My name is Dana Richmond, and I am a 15 year resident of Clackamas County, currently living in Wilsonville.

I strongly support HB 2927 for the National Popular Vote. I believe this bill is important. The electoral college does NOT represent the wishes of the majority of the US population. In this year's election and in the election with Gore/Bush it was especially evident. It is archaic and gives undue power to "swing states" and rural America.

I urge that you support the bill, pass it without amendments and send it directly to the Senate floor for a vote.

Warm regards,

Dana Richmond
