Senate Rules Committee
OR

Dear Committee,

I'm 27, myself and my friends are all aware that our vote doesn't count because we are in a blue state. It's going to be blue no matter what we do. So if we vote blue, if we vote red, or if we vote otherwise, Oregon still isn't important to the national conversation.

I would like my vote to count, my voice to be heard, and for the nation as a whole to be represented more accurately in Washington.

Sincerely,

Mr. Ian Devore
