Senate Rules Committee
OR

Dear Committee,

Good morning/afternoon. My name is Stephen Couche and I am from Portland, OR. I'm writing to express my support for HB 2927, and to urge moving this bill forward. I am a 69 year old life long resident of Oregon, and have been a person who pays attention to politics all of my life. I urge you all to make the difference needed to pass this bill and to urge your colleagues to support it too. Oregon has been a progressive state, whether under the Republican leadership of Tom McCall or the current leadership of Governor Kate Brown. HB 2927 makes sense for our State and our country, I urge you to join other states who have already passed this measure by passing it yourself. The electoral college has outlived its usefulness and it is time to let the common citizens of our country have the electoral power to elect who our President is going to be!

Sincerely,

Mr. Stephen Couche
