Senate Rules Committee
OR

Dear Committee,

to whom it may concern;

It is important to pass HB 2927 (National Popular Vote) because it is important to let the rest of this country and our government know that Oregon stands behind the idea that the winner of the popular vote should be the person who wins the election.

This gives Oregon's electoral vote to the person who wins the popular vote.

Please support this bill.

Sincerely,

Ms. Susan Delles
