Senate Rules Committee
OR

Dear Committee,

I'm a voter from Washington County, in Senator Hass's district. I'm writing to you to ask your support for HB 2927, the National Popular Vote bill.

Our experience in the 2016 election convinces me that this is the right thing to do. We are supposed to be a country of one person, one vote--but when one candidate receives over 3,000,000 more votes than the other, but is declared the loser, there is something wrong with our system.

I urge you to pass the bill intact and send it directly to the Senate floor for a vote.

Sincerely,

Ms. Karen Springer
