Senate Rules Committee
OR

Dear Committee,

I am Nina J. Lawrence, from Benton County, Oregon.

I support HB 2927 to enact the National Popular Vote.

I do think this is important because I don't want a small minority of any kind to run the country, with their votes counting for more than other people's votes.

Please pass the bill on to the Senate floor without changing it or referring it to the voters or anything else that will postpone or block it.

Sincerely,

Ms. Nina Lawrence
