Senate Rules Committee  
OR

Dear Committee,

My name is Stan Hoffman and I live in Portland and I am writing in support of HB 2927 for the National Popular Vote. This is an extremely important bill intended to correct a serious flaw in our system for electing the President--a flaw that give disproportionate power to some states and the citizens living in them and marginalizes large portions of the population that live in other states, including Oregon.

Please give your full support to the bill, which a truly democratic piece of legislation. Please pass it without amendments and without referring it to the voters and avoid any diversions that will block the bill. I along with the vast majority of the citizens of Oregon want this bill to go directly to the Senate floor for a vote.

Thank you for your attention and for your service to our state.

Sincerely,

Mr. Stan Hoffman
