Subject: FIX HB2007 or vote NO!
Date: Wednesday, June 21, 2017 10:05:27 AM

HB2007 is a special interest gift to greedy developers that care nothing about the communities they “serve”. This bill will not help affordable housing, it will only allow developers to make a quicker buck by destroying the protections for both historic resources and developmental landscapes in cities throughout Oregon. Facts prove that developers do not tear down historic structures for affordable housing, they tear them down to build larger gaudy structures that are more expensive to line their guilded pockets! Save the character of Oregon Cities, Vote NO on HB2007!
