Honorable Members of the Ways and Means Committee:

I am writing you today to urge you to fix HB 2007 or vote no. This bill as written, while admirable in its efforts to deal with a very important issue, has a disastrous effect on Oregon's historic properties. I have worked professionally in many states on historic buildings and have never seen legislation that is as damaging to our heritage structures as this one is. Please FIX HB 2007 by adopting Restore Oregon's proposed amendments, or VOTE NO tomorrow. Thank you for giving this your serious attention.
