

Dear Senators,

This bill is **extremely bad** for voters in Oregon. This alteration to Article 2, Section 2, Clauses 2 and 3 and the Twelfth Amendment of the United States Constitution eliminates MY VOICE AS A VOTER and eliminates the legitimacy and relevance of Oregon's involvement in the political process.

These bills, in my opinion, are based upon ignorance of the Electoral College and is a "knee-jerk" reaction to this past election. This is not thought through to the ultimate consequences! This legislation proposes that once a popular vote is completed across the nation, Oregon's electors **MUST** choose that person elected by popular vote regardless of the collective choice of his fellow Oregonians.
