Re: SB 483 Relating to unlawful use of a global positioning system device

Representative Stark: "SB 483 creates the crime of unlawful use of a GPS device by knowingly attaching it to a vehicle without the consent of the owner. The crime is classified as a Class A misdemeanor, unless the individual has a previous conviction for stalking or is violating a stalking order, in which case it is a Class C felony. The measure is anticipated to have a minimal fiscal impact.

The Public Safety Subcommittee recommends SB 483 be reported out do pass."
