

Rules Committee,

I am a day late, yet I still want to express my support for the passage of HB2927. It is time to elect our president by popular vote. Candidates might actually come to Oregon to hear our concerns. It is time to be heard and this bill will further that effort. I hope the bill was passed so that we can start moving in this direction for the betterment of the nation, our state, and all citizens. Thank you.
