

Rules Committee,

I am a 60 yr. old Oregonian woman am writing you today to ask you to vote yes on HB2927. With no amendments and no ballot referral.

First, Oregon voters want the president to be elected by popular vote. The vast majority of Oregonians approve of this legislation and have for over 7 years. Voting yes will ensure that issues that matter to Oregon would be discussed during presidential campaigns.

Second, The US Constitution specifically assigns the job of choosing the method of awarding electoral votes to the state legislatures so it is time for the Oregon legislature to do what they were elected to do. Electing the president by National Popular Vote is a constitutional right.

I don't ever want to see another president voted into power with the least amount of actual votes. It makes no sense and it's not what the founding fathers intended. It's time for America to equalize the vote and make sure that EVERY voters voice is heard.

Please vote yes HB2927.

Thank you,

Mary Van Vliet
