

Rules Committee,

To whom it may concern,

We need to get into the 21st Century !! Everybody that is eligible to vote should have the right to do so. Changing regulations, Gerry-mandering, identification rules should be the same for everyone . I am 79 years old and have voted in EVERY election that I was entitled to. Even when I was in the Military!!! If I had been stalled from voting folks,would have learned the new meaning of irate!!!

Please pass HB2927 and let's chalk up another one to equality ... Sincerely, Mike Lovely , Bend, Oregon
