

I have been asked by supporters to submit the following testimony in support of HB2927 in addition to the written testimony already submitted. This testimony was given in person at the committee hearing today.

YOUR VOTE – MY VOTE *Linda Galas-Merten*

Your vote, My vote, Red vote, Blue vote

Black vote, White vote, Old vote, New Vote

Each vote must be equal

States are not co-equal

Wow! What a lot of votes there are.

Yes. Some are red, and some are blue

Some are old, and some are new.

Some are rich and some are poor.

Isn't that what democracy's for?

Why are presidents the only ones

We elect by states? Pass the Tums.

All we want is an evolution

Not a change in the constitution

Which bill, you ask, should you support?

We know which one you must abort

825 is bad, all round

It breaks the law, it is not sound

Psst – You may not want to see this through

But Article II says, it's YOU!

2927, why, it's a beauty!

Please vote yes; do your duty

You have this chance to do what's right

To give this state a plebiscite

One PERSON, One VOTE!

Now there is something you can quote
