

Rules Committee,

Ensure the Candidate with the Most Votes Wins!

Further the Principle of One Person, One Vote.

Ensure that each vote cast has an equal impact on the outcome of the Presidential Election, National Popular Vote gives each citizen equal power in the election, regardless of the state in which the voter lives.

Instead of voters in a few swing states deciding the outcome, candidates will need to speak to – and listen to – all citizens throughout the country equally.

Oregon is at a distinct disadvantage in the national elections, it receives less weight in the Electoral College vote than many other states. http://www.salon.com/2017/03/17/whose-votes-count-the-least-in-the-electoral-college_partner/
