

Rules Committee,

To My Esteemed Representatives,

I would like to encourage you to vote to accept HB2927, after the example of this past Presidential election year, it would appear that the electoral college is too open to personal choice instead of steadfastly voting to represent the will of the people. It is time for us to make a change and go with the will of the people based on what they vote for, it , to me, is the most concise and accurate depiction of which candidate the people want. I believe we would have had a much different outcome had we been able to do this this last time. Please pass HB2927.

Thank you,

Cindy Ranuio
