

Rules Committee,

We urge you to pass HB2927 without amendments or a ballot referral. It's time for America to equalize the vote and make sure every voters voice is heard. Let Oregonians lead the way...

Electing the president by National Popular Vote is a constitutional right, and the vast majority of Oregonians approve of this legislation and have for over 7 years!

It is time to see it realized!

Sincerely,

James and Rita Grauer
