

Rules Committee,

I'm writing today to express my support for HB2927. Under the current electoral system, Oregon is habitually ignored by candidates, and switching to a popular vote system would ensure that issues that matter to Oregon would be discussed during presidential campaigns. The vast majority of Oregonians approve of this legislation, and so there's no better time for it. I ask you to help pass HB2927 this year with no amendments and no ballot referral. Thank you for your time.
