Date: Thursday, June 22, 2017 8:28:24 AM

Rules Committee,

The electoral college was a grand idea but no longer reflects the state of our nation and in fact serves as a basis for manipulation through gerrymandering. It's time to move past and ensure that the popular vote has the final say. The fact that it has not been true in 2 of the last 5 elections (when it had not happened once in over 100 years) is a testament to that fact.
