Rules Committee,

This is how to make American Great:

- Pass HB2927 this year with no amendments and no ballot referral.

Why?

Oregon voters want the president to be elected by National Popular Vote. Electing the president by national popular vote would mean issues that matter to Oregon would be discussed during presidential campaigns. The vast majority of Oregonians approve of this legislation and have for over 7 years. The U.S. Constitution specifically assigns the job of choosing the method of awarding electoral votes to the state legislatures so it is time for the Oregon legislature to do what they were elected to do. Electing the president by National Popular Vote is a constitutional right. It's time for America to equalize the vote and make sure every voters voice is heard.

Back when the Electoral College was put in back, our country was a very different place and meant to make things like 45 didn't happen. But gerrymandering happened. Swing states happened. Our votes should mean as much as Ohio, Florida, Wisconsin. Our system is now broken and this is just one step to fix it.

VOTE FOR THE POPULAR VOTE! FOR ALL AMERICANS!

Thank you,
Gloria Rhyne
