Rules Committee,

Dear Senators (especially you Senator Beyer),

My name is Jeff DeVore and I am a voter living in Pleasant Hill, Oregon. I want to register my support for HB2927.

As you can all see, our US senators are working hard for ordinary Oregonians, and I expect no less from you. The people of Oregon unanimously want the President of the United States to be elected by the popular vote, and we want you to support Oregon as a national leader in this cause. I am looking for all of you to be on the record in support of HB2927.

Thank you,

Jeff DeVore
