Date: Thursday, June 22, 2017 8:29:54 AM

Rules Committee,

Please pass the bill without any changes or ballot referrals. It is in every voter's interest, and is not about partisan politics. It just does demands that every U.S. citizen's vote counts.

As a proud Oregonian I stand with the large majority of Oregonians for this common sense bill that preserves our right to have our vote counted.
