**Date:** Thursday, June 22, 2017 8:29:53 AM

---

Rules Committee,

WE must change our presidential voting practice and eliminate the electoral college and elect by popular vote. This would mean that issues important to Oregon would be discussed, with this president I doubt he knows where Oregon even is and that it is part of the US. Oregon voters have already approved this legislation. Gerrymandering by Republicans has allowed the electoral college to become corrupt and unfair. Let's equalize the VOTE so Oregon votes matter!
