Rules Committee,

I urge you to pass HB2927 with no amendments and no ballot referral. I believe the president should be elected by National Popular Vote so that issues that matter to Oregonians would be discussed during presidential elections.

A large majority of Oregonians approve of HB2927 and have for over 7 years. The voice of every Oregonian should be heard.

The US Constitution assigns the job of choosing the method of awarding electoral votes to the state legislatures. Therefore, I am asking the Oregon legislature to do their job and approve HB2927 which has the approval of the majority of Oregonians.
