

Rules Committee,

As your constituent, I urge you to pass HB2927 this year with no amendments and no ballot referral.

America is the only major democratic country that does NOT elect its president by direct election.

And Slate has written a piece showing how the electoral college is historically racist and sexist.

(Source:

[http://www.slate.com/blogs/xx\\_factor/2016/11/11/the\\_electoral\\_college\\_is\\_an\\_instrument\\_of\\_white\\_supremacy\\_and\\_sexism.html](http://www.slate.com/blogs/xx_factor/2016/11/11/the_electoral_college_is_an_instrument_of_white_supremacy_and_sexism.html)).

Americans deserve better. We deserve to have every vote matter equally, and not to have our fate decided white-majorities in swing states.
