

Rules Committee,

The U.S. Constitution specifically assigns the job of choosing the method of awarding electoral votes to the state legislatures so it is time for the Oregon legislature to do what they were elected to do.

Electing the president by National Popular Vote is a constitutional right. It's time for America to equalize the vote and make sure every voters voice is heard.

Please ... pass HB2927 this year with no amendments and no ballot referral.

Thank you!

Tod Boyer
